

Join speedboat to Phang Nga Bay (Jamesbond) and Khai Island by Island Dream Exploration

James Bond Island in Phang Nga Bay is famous for tourism in Thailand because it is a unique and iconic landmark that was featured in the James Bond movie "The Man with the Golden Gun". The island, which is also known as Koh Tapu, is a stunning rock formation that rises dramatically out of the bay, and has become an instantly recognizable symbol of the region. Phangnga Bay is a popular spot for kayaking under the cave and spectacular sight seeing underway to the bay making it a must visit destination for nature lovers and adventure seekers.
