

Laguna Tours speedboats are the premium choice for a day or half day speedboat tour on the water. Fast, spacious and comfortable, these boats make any destination just a short journey away. Whether your choice is to just cruise around Phang Nga Bay sightseeing or snorkeling from the boat at Phi Phi Islands our boats have everything you require along with our friendly and experienced Laguna staff to ensure you have an enjoyable experience.

### Features

Full instrumentation, GPS, CB Radio, CD Stereo with speakers throughout, large bow area for sunseekers, marine bathroom and fully covered rear seating area and fresh water shower. The boats are powered by twin 250Hp Suzuki low emission four stroke engines.
