

Phuket FantaSea, an award winning 60-acre night time cultural theme park, is the ultimate Las Vegas style show infusing Thai culture and mythology with magical illusions, special effects, aerial ballet, four dimensional effects, acrobatics, pyrotechnics and live animal performances featuring over 30 elephants! This highly entertaining theatrical production is suitable for both children and adults, and is performed in an awe-inspiring replica of an ancient stone palace reminiscent of Angkor Wat, with seating for 3,000. Before the show, enjoy a grand feast at the 4,000 seat 'Golden Kinnaree' one of the largest buffet restaurants in the world.

After dinner, take a stroll through Festival Village shopping paradise. The park also provides many games, elephant rides, cultural parades and live performances.
